Dear Colleague,

Your letter of February 22nd has reached me only now, as in the course of a sabbatical leave from the Hebrew University I have been traveling in the Far East and the United States. I need not say how much I am honoured by your kind invitation

to take part in the 8th Congress for Christian Archaeology at Barcelona. Unfortunately other obligations force me to forego for this once this wonderful occasion to meet my distinguished colleagues and to learn from them.

With my best regards and greetings,

Yours sincerely

M. Avi-Yonah
